

## **ERDI UNDERWATER CRIME SCENE OPS**

*The purpose of this 20-hour ERDI Underwater Crime Scene Investigations Course is to provide the student with the necessary skills and knowledge to perform underwater crime scene investigations, to include the preservation and proper documentation for courtroom testimony.*

- Utilize proper crime scene and navigation techniques to locate, document, and recover evidence.
- Learn proper search patterns for evidence or body recoveries, to include handling and preservation procedures.
- Use of detection equipment for evidence detection and courtroom documentation, to include Drone usage and FAA requirements.
