

ERDI UNDERWATER CRIME SCENE OPS

This ERDI certified course is designed to give the certified open water public safety diver the fundamental skills needed to safely manage and maintain underwater crime scenes.

- Utilize proper crime scene and navigation techniques to locate, document, and recover evidence.
- Identify special evidentiary concerns and hazards for successful recoveries.
- Use of detection equipment techniques for evidence identification
- Save money with ERDI. Instead of paying for recertifications put that money back into your team or equipment.
- Class includes classroom, facilities, course material, and certifications.
- Instructors are certified Police, Fire, and Crime Scene Professionals.
